

PLASCORE®

Environmental Policy Statement

Revision: Draft

Revision Date: 12/16/2010

Plascore Environmental Policy

ENVIRONMENTAL MISSION

Plascore is a company with a history of environmental stewardship. Plascore manufactures an extensive family of honeycomb core and honeycomb products made from a variety of metal and plastic materials to fit virtually any application, from aerospace to commercial. We also manufacture cleanroom wall and ceiling systems for ultraclean electronic and pharmaceutical manufacturing. The employees of Plascore are dedicated to bringing customers the best combination of quality products, on-time delivery and competitive price.

We will take seriously our responsibility to protect the environment in which we work and live...and will conduct our business in accordance with all legal requirements and ethical responsibilities, using scientific knowledge, technical innovation, and sound environmental management practices.

ENVIRONMENTAL POLICY STATEMENT

Plascore Incorporated will maintain a proactive approach to its environmental management system.

- We will meet all relevant Environmental regulations to ensure compliance with federal, state, and local requirements and other requirements to which we subscribe.
- We will strive for continual improvement in the area of pollution prevention.
- We are committed to an environmental management system with continually improving objectives and targets.
