# Rewarding Careers

If you're looking for a rewarding career and not just a job, Plascore has a wide choice of positions available for you ... positions that offer good pay and benefits, training and experience working on new lightweight materials and applications. We value each member of our staff and encourage career advancement and rewards for teamwork and quality.

The honeycomb and composite core materials market is projected to continue growing at an impressive rate, reaching \$1.5 billion by 2020. There's never been a more exciting time to be a part of this industry.

## Are You Interested in...

- Working for one of the top manufacturers in Zeeland?
- Using the most advanced technology?
- Supporting a variety of industries and markets?
- Working at the core of global product innovation?
- Being a part of a diverse company culture?

... then Plascore is the right place for you!

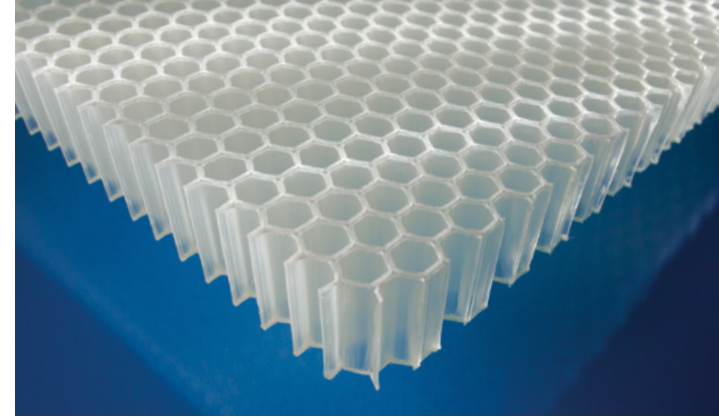

# World-Class Solutions

Plascore, Inc. is a global manufacturer of honeycomb core, composite structures and cleanrooms. With an increasing demand for better structure materials, Plascore's high-performance products are a step above the rest by being lighter, stiffer and stronger.

Our products are manufactured for a variety of OEM and R&D markets and applications including:

## Aviation

Tail, rotor blades, floor and ceiling panels, landing gear, stowage, interior surfaces, tail skirts, spoilers, and seats

## Ground Transportation (Rail & Automotive)

Wall, floor, ceiling and door panels; ramps, bulkheads, energy-absorbent seats, and shelving

## Marine

Hulls, decks, bulkheads, stringers, bunks, covers, and hatches

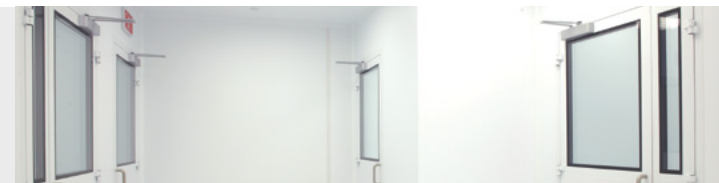

## Military

Missile wings, antennae, and shelters

## Pharmaceutical

Cleanroom wall systems with anti-microbial surfaces and modular designs

## Specialized

Air, fluid and light directionalization; barriers for reduced EM and RF emissions from electronic equipment; radiant cooling panels
